MOBILE COUNTY  
CHAMBER of COMMERCE

# "In Step With Progress" *Message from the President*

Greetings from the Chamber!

Thanks to everyone who attended our last month's Chamber meeting. We had open forum with business representatives and community members who shared their current business practices, community interests, and vision for growth. A special thanks to Coach Collier for giving us highlights of the Theodore High School Athletic Program. We anticipate a very informative Business Networking Luncheon this month, June 6th, with Judith Adams of Alabama State Port Authority as our guest speaker. We encourage you to come out and hear what she has to say about "The Port and What our Future Holds".

Vacation season is here and we all anticipate spending time with family and getting a little rest and relaxation. As you search ideas for entertaining the kids, make plans to attend our Annual Kids Day on July 25th, held at the Chamber. It's a fun event you don't want to miss.

Have an enjoyable Father's Day.

*"In Step with Progress"*      *Alesia Davis*

## Board of Director

**Kay Peace**, At an early age in high school I committed to friends that I would run for President of Student Council. Little did I know that I would win and instantly fall in love with volunteering and the fulfillment I received from a kind gesture and learning that the little things you do play a big part in another person's life.

My involvement with the Chamber started back in the late 80's and encompassed my love for volunteer work, giving back and making a difference in our community. I have and currently serve as secretary, chaired just about every committee from our Christmas parade to hiding hundreds of Easter eggs. I served as President in 1993, was chosen as Citizen of the Year, started the Spirit Award, the Top Ten Student Breakfast, and even once wore a chicken suit at the Annual Easter Egg Hunt!

Volunteering did not stop at the Chamber but fueled the fire to pay it forward through the American Business Women's Association, American Cancer Society, Toys for Tots, and Beta Sigma Phi Eta Omega Chapter.

At my current job, I started a program called Employees Give Back and since its inception in 2001, we have donated company-wide in excess of \$1,000,000 to local and statewide organizations to include, local food pantries, Sav-A-Life, Cerebral Palsy, Child Advocacy Center, Wilmer Hall, Mission Work, and many more.

On a personal note, I come from a large family with parents that instilled love, strength and always be there for one another. My nieces and nephews have always been my children from the time they were born to adulthood. Now I step back and admire as they become amazing parents with their own children and take pride knowing that I had a tiny part in their upbringing. In 2009, I met my soulmate celebrating our 5<sup>th</sup> anniversary this June. We share the same ideas, values, and the love of our families.

for raising  
\$11,063!**

**Children's Miracle Network (C.M.N.) hosted a Walmart Kickoff celebration in Birmingham, AL on Thursday, April 16th for Walmart employees all over the state of Alabama. Walmart is one of the biggest supporters for C.M.N. They selected one thousand associates from across the state of Alabama to attend this event. Della Wade, Paula Vison and Donna Christian were chosen from the Tillman's Corner Walmart to represent their efforts. The money they raise helps so many. Della said, "she feels very honored to have been a part of the celebration." Last year the Tillman's Corner Walmart alone raised \$11,063 for Children's Miracle Network. Walmart stores in Alabama combined raised 1.3 million dollars. Thank you to everyone who donated to C.M.N. We look forward to raising more funds next year.**

**PREPARE TO  
GET YOUR  
GED**

**PREPARE TO  
CHANGE YOUR LIFE**

**This year's GED Graduation was one of the smallest classes ever - Small but Mighty. They took on the challenge of the new 2014 GED Test which was more expensive and more rigorous and passed.**

**The test format went from being paper driven to being computer driven and requires more depth of knowledge. Also, the test went from five parts to four parts, but test takers no longer have to take all subjects at once. They can study and take one subject at a time. The test is available in English as well as Spanish. As a student enrolled in the Bishop State Adult Education Program, scholarships are available for free GED Ready Practice Tests. Scholarships are also available to help defray the cost for the GED Test once students are academically ready and have met attendance requirements.**

**Although the graduating class was small this year, their success proves that it can be done! Tillman's Corner Community Center has free GED classes on Tuesday and Wednesday afternoons. Help us get the word out. They can start today! Getting a GED changes lives for the better forever and opens door to a brighter future. We'd love to see more success stories marching across that stage next year!**

## Hurricane Safety Checklist

Hurricanes are strong storms that cause life- and property-threatening hazards such as flooding, storm surge, high winds and tornadoes.

Preparation is the best protection against the dangers of a hurricane.

### Know the Difference

**Hurricane Watch**—Hurricane conditions are a threat within 48 hours. Review your hurricane plans, keep informed and be ready to act if a warning is issued.

**Hurricane Warning**—Hurricane conditions are expected within 36 hours. Complete your storm preparations and leave the area if directed to do so by authorities.

### What should I do?

- Listen to a NOAA Weather Radio for critical information from the National Weather Service (NWS).
- Check your disaster supplies and replace or restock as needed.
- Bring in anything that can be picked up by the wind (bicycles, lawn furniture).
- Close windows, doors and hurricane shutters. If you do not have hurricane shutters, close and board up all windows and doors with plywood.
- Turn the refrigerator and freezer to the coldest setting and keep them closed as much as possible so that food will last longer if the power goes out.
- Turn off propane tanks and unplug small appliances.
- Fill your car's gas tank.
- Talk with members of your household and create an evacuation plan. Planning and practicing your evacuation plan minimizes confusion and fear during the event.
- Learn about your community's hurricane response plan. Plan routes to local shelters, register family members with special medical needs as required and make plans for your pets to be cared for.
- Evacuate if advised by authorities. Be careful to avoid flooded roads and washed out bridges.
- Because standard homeowners insurance doesn't cover flooding, it's important to have protection from the floods associated with hurricanes, tropical storms, heavy rains and other conditions that impact the U.S. For more information on flood insurance, please visit the National Flood Insurance Program Web site at [www.FloodSmart.gov](http://www.FloodSmart.gov).

### What supplies do I need?

- Water—at least a 3-day supply; one gallon per person per day
- Food—at least a 3-day supply of non-perishable, easy-to-prepare food
- Flashlight
- Battery-powered or hand-crank radio (NOAA Weather Radio, if possible)
- Extra batteries
- First aid kit
- Medications (7-day supply) and medical items (hearing aids with extra batteries, glasses, contact lenses, syringes, cane)
- Multi-purpose tool
- Sanitation and personal hygiene items
- Copies of personal documents (medication list and pertinent medical information, proof of address, deed/lease to home, passports, birth certificates, insurance policies)
- Cell phone with chargers
- Family and emergency contact information
- Extra cash
- Emergency blanket
- Map(s) of the area
- Baby supplies (bottles, formula, baby food, diapers)
- Pet supplies (collar, leash, ID, food, carrier, bowl)
- Tools/supplies for securing your home
- Extra set of car keys and house keys
- Extra clothing, hat and sturdy shoes
- Rain gear
- Insect repellent and sunscreen
- Camera for photos of damage

### What do I do after a hurricane?

- Continue listening to a NOAA Weather Radio or the local news for the latest updates.
- Stay alert for extended rainfall and subsequent flooding even after the hurricane or tropical storm has ended.
- If you evacuated, return home only when officials say it is safe.
- Drive only if necessary and avoid flooded roads and washed-out bridges.
- Keep away from loose or dangling power lines and report them immediately to the power company.
- Stay out of any building that has water around it.
- Inspect your home for damage. Take pictures of damage, both of the building and its contents, for insurance purposes.
- Use flashlights in the dark. Do NOT use candles.
- Avoid drinking or preparing food with tap water until you are sure it's not contaminated.
- Check refrigerated food for spoilage. If in doubt, throw it out.
- Wear protective clothing and be cautious when cleaning up to avoid injury.
- Watch animals closely and keep them under your direct control.
- Use the telephone only for emergency calls.

### Let Your Family Know You're Safe

If your community has experienced a hurricane, or any disaster, register on the American Red Cross Safe and Well Web site available through [RedCross.org/SafeandWell](http://RedCross.org/SafeandWell) to let your family and friends know about your welfare. If you don't have Internet access, call 1-866-GET-INFO to register yourself and your family.

For more information on disaster and emergency preparedness, visit [RedCross.org](http://RedCross.org).

Summer is here and it's that time of year to plan events for your family activities. Well, mark your calendar, we are making plans for the 2nd Annual Kid's Day on July 25th from 2-5p.m. located at the Tillman's Corner Community Center. Don't miss out, become a sponsor or a volunteer. Booth rentals are free and each group interested in taking part can contact the Community Center Office for more details at 666-2488. Activities will include Health & Wellness Exams, Blood Drive, Petting Zoo, Nutritionist, Car Show, Story Time, Jumpees, Food, Laser Tag, Zumba for kid's, massages and more. Bring your lawn chairs out to the lawn and enjoy meeting others in the community as you are entertained by the Talent Search participants.
