However, the Part B travel insurance includes a single supplement benefit of \$1,500 for certain covered reasons as detailed in Part B. In this case, the single supplement will be deducted from the refund of the person who cancels. Division of this charge between the two passengers involved is solely their responsibility. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. Cancellation waiver protects you from penalties in the event you have a need to cancel your entire inclusive tour package up to the day prior to departure. Cancellation waiver does not indemnify you from penalties if you chose to cancel partial tour components or air. If you chose to partially cancel your vacation, you will be responsible for a revision fee as well as any penalties that are incurred at the time of the cancellation. Upon cancellation of transportation or travel services where you, the customer, are not at fault and have not canceled in violation of the terms and conditions above, you will be refunded 100%. Experience It! Monasteries in Metéora

Atop towers of limestone rock that reach almost 900 feet in the air, the remote monasteries of Metéora seem like a direct line to the Divine. From early Christian times, Metéora's cliffs were heralded as the place to achieve peace and harmony, and thus, spiritual revelation, thanks to the isolation they provide. It's no surprise that the monasteries were erected here among the overwhelming rock formations and inspiring setting. These monasteries, and the monks who reside in them, are living out Byzantium history in their monastic communities built high on the vertical rocks and tucked away inside pristine natural beauty. Today, Christians from all over the world make their holy pilgrimage to these monasteries, and Metéora has become a preservation site for the 2,000 year-old Christian Orthodox creed.

PLEASE NOTE:

Book Now rates valid until Sep 09, 2025, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces that may be slippery, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation. You can climb three flights of stairs easily. Expect leisurely mornings with some late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

In order to access the Acropolis archeological site, you will be required to climb about 50-60 steep uneven steps and walk over rugged terrain with loose stones and without railings. Accessing one of the two monasteries in Meteora requires climbing approximately 200 steps.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Due to a limited number of tickets for the Acropolis, travelers booking within 60 days of departure may be waitlisted until tickets can be confirmed.

*In order to enter the monasteries in Meteora, all guests must have their shoulders covered. Women are highly encouraged to wear skirts or dresses that cover the knees, however, if you choose to wear pants, you will be given a scarf to tie around your waist. Men must wear long trousers.

**For departures from mid February through March, hotel accommodations in Nafplio will be confirmed prior to departure at either Amphitryon Hotel or King Minos Hotel, located in the town of Tolo.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

TRAVELERS NEEDING SPECIAL ASSISTANCE

You must report any disability requiring special attention to Collette at the time the reservation is made. *Collette will make reasonable efforts to accommodate the special needs of tour participants. Such participants, however, should be aware that the Americans with Disabilities Act is inapplicable outside of the United States and facilities outside the United States for disabled individuals are limited. It is strongly recommended that persons requiring assistance be accompanied by a companion who is capable of and totally responsible for providing the assistance. Neither Collette nor its personnel, nor its suppliers, may physically lift or assist clients into transportation vehicles. If a traveler thinks he or she might need assistance during a trip, he or she should call Collette to determine what assistance might reasonably be given. Collette cannot provide special individual assistance to tour members with special needs for walking, dining, or other routine activities. Internationally, a great deal of walking may be necessary to fully enjoy the destination. Travelers should be in good health and must be able to walk reasonable distances. In some areas, travelers may be required to walk on uneven ground, cobblestone streets or raised thresholds.

****To request a wheelchair accessible room on a cruise, the traveler or person sharing the room must have a recognized disability that alters a major life function and requires the use of a mobility device and the use of the accessible features provided in the wheelchair accessible stateroom. The cruise company may take appropriate action against someone who has reserved or purchased such a stateroom fraudulently. Action may include but is not limited to removal from the stateroom to a non-accessible accommodation up to denial of boarding.***
